

WE WANT YOU AS A NEW RECRUIT !!

Many people ask why they should join a local Neighbourhood Watch Scheme. Well here are just a few reasons for joining, or indeed, starting a scheme:-

1. Neighbourhood Watch (NW) is one of the biggest and most successful crime prevention initiatives ever and the largest voluntary organisation in the country.
2. If you join your local group you can feel secure knowing that your neighbours are keeping an eye on your property.
3. Getting together with your neighbours can prevent local crime and well-run schemes have a big impact on crime and opportunities for crime.
4. NW can reassure those who live in fear of crime. Your neighbourhood is likely to be safer, friendlier, and a more attractive place when you have a scheme working for you.
5. NW is an ideal way of targeting a particular problem in an area, such as burglary, vandalism or car crime.
6. NW can rekindle community spirit and is a great way to get to know your neighbours.
7. You will become familiar with crime prevention ideas to keep your home and property safe.
8. Finally, you may be entitled to a discount on your home insurance premiums. However, remember that if you get such a discount you must inform your insurers should you withdraw from the NW scheme or it ceases to function.
